INTRODUCTION

KFM GROUP SDN. BHD. (KFMG) formally known as IKHTIAR MAINTENANCE SDN. BHD. was incorporated in Feb 2003 to form an entity venturing into Building Services throughout the nation and fulfilling national as well as international segment needs in Sustainable Facility Management and Operation.

Since our incorporation, we grow over the years to develop our strength engaging professional and technical resources from various disciplines and background such as:

- Architects
 - Facility, Project and Energy Managers
 - Mechanical, Electrical and Civil Engineers
 - Planner, Quality and Safety Officer
 - Quantity Surveyors
 - Technicians
 - Support and Management Team
-

Formed to deliver top class Facility and Asset Management, KFMG realizes the need and necessity of having a complete cycle and systematic approaches from design stage to post operational services in sustaining net asset value.

Consistently and continuously driven by the latest global and government trends, KFMG aligns itself in reference to the current United Nation's Sustainable Development Goals in addition to the nation's latest Sustainability as well as energy efficient initiatives and measures.

KFMG is committed in incorporating green, sustainable, low carbon and energy efficient design and measures in all of our services priming on stakeholders interest as well as building occupants, our level of service quality will be manifested via the Operation model thru Performance Based Management.

KFMG is led by key personnel with a cumulative of over 50 years of experience in Facility, Asset, Project Management along with Public Transport Terminal Operation services with an approximately more than 50 million square feet of assets and facilities under their previous operation and management at various level KFMG is ready and fully capable of progressively delivering results to meet latest trends and government objectives as well as benefitting building occupants and fulfilling stakeholder's expectation.

CORE BUSINESS

Our business are driven via the concept of Asset & Facility Management being a multidisciplinary service to ensure functionality of built environment by integrating its people, business processes, technology application, space as well as materials.

Priming on maximizing asset's net value, four (4) core business elements have been manifested as our success drives.

**1**

Project, Facility &
Property Management
Set up and Advisory

**2**

Implementation and
Administration of
Facility & Property
Management
Contract

**3**

Building/ Asset/ Facility
Condition Assessment
and Audits

**4**

Integrated Facilities
Management
Services, & Project
& Construction
Management
Services

Facility Management Set Up and Advisory

- Strategic Facility Planning and Management Set-Up
- Operational input and FM Framework set up during design stage (New Construction)
- Green/Low Carbon Facilitation
- Technology Application recommendation

Implementation and Administration of Facility Management Contract

- Overall Management of FM upon Contract Award
- Set up Pre-requisites, mobilization, set-up, transition and stabilization
- Performance Monitoring & Reporting
- Review and preparation of FM policies and procedures (Existing Building/Facilities)
- Performance Reporting and Benchmarking

Building Assessment and Audits

- Statutory Compliance
- Post Operation Performance and Condition Assessment
- Functionality Test, Deficiency Diagnostics and Performance Benchmarking
- Certification Assessment

IFM, & Project & Construction Management

- FM Contract Planning and Administration:
- Building Engineering Services:
 - Mechanical
 - Electrical
 - Civil, Structure & Architectural
- Housekeeping Services, Hygiene Services
- Landscape Services
- Pest Control Services, Waste Management
- Warranty Management

VALUE PROPOSITIONS

Value propositions we deliver portray fundamental core values that realize benefits by practicing sustainable Facility Management.

Performance Reporting and Benchmarking

- Optimum performance leading Towards Operational Excellence and Sustainable Practices.

Operation Management

- Responsiveness and Service Quality in Managing Facility's Operation.
- Coordination of Short-Term tactical Activities with Long Term Goals.

Asset Life-Cycle Management

- Optimum Utilization Based on Improved Asset's Effective Lifespan.

Customer Relation

- Alignment of Client's Corporate Objectives.
- Support Client's Deliverables, Goals and targets.

Sustainable Operational Excellence, Competency Education and Training

- Overall Improvement in Core Productivity of its Human Capital.

Economic Profitability

- Improved Management and Control over Operating Cost and Capital Expenditures.

EXPERTISE & COMPETENCIES

Our services are geared towards maximizing net asset value by ensuring continuous peak performance of the facilities and buildings.

Our dedicated team of Subject Matter Experts in their respective fields provides a full range of high quality facility management services to ensure uptime and business continuity for the diverse asset owners that range from major multinational corporations, government departments to retail outlets and business parks.

- Professional and Graduate Engineers registered with Board of Engineers Malaysia (BEM) and Institute of Engineers Malaysia (IEM).
- Registered Energy Manager (ST) & Certified Energy Managers and Facilitators.
- Professional Member of Malaysian Energy Professional Association (MEPA).
- Member of Malaysian Association of Facility Management (MAFM).
- Experience in module development for Energy Efficiency and Low Carbon Assessment Tools.
- Experience in Facility Management inclusive of strategic building operational model, process planning, Operating Condition Assessment and Asset Lifecycle Program.
- Computerized Information Maintenance Management System.
- Experience in Power Quality and Harmonic Study, Analysis and Mitigation solution.
- Experience in Project Management, Energy Efficiency, Green, Sustainable and Low-Carbon Initiatives.
- Green Building Index, Facilitator.

OUR **PEOPLE**

Directors/Shareholders

Fardan Abdul Majeed

Executive Director

Fardan is the Executive Director of KFM Group Sdn Bhd who co-founded KFM Holdings Sdn Bhd (“KFM”), a company principally involved in the provision of integrated facilities management services, green technology and sustainability services in Malaysia and the United Arab Emirates.

He was instrumental in acquisition of Operon Middle East, a subsidiary of a UK-based company involved in asset management in MENA region. He was also instrumental in securing KFM a 20-year concession from the Government of Malaysia for transforming the Prime Minister’s Office (“PMO”) into a GBI platinum-certified building.

Fardan was also responsible in making KFM a strong player in asset management services. On 15 December 2015, Fardan sold his stake in KFM to UEM Edgenta Berhad with a total acquisition value of RM128 million. At the point of acquisition, KFM’s outstanding contracts were valued at more than RM700 million. After the disposal of KFM, Fardan has been actively investing in start-up companies specifically in the area of payment and emerging technologies. He graduated from the Royal Melbourne Institute of Technology, Australia with Distinction in Business Administration.

Shahridan Sharif

Executive Director

Shahridan holds a degree in Mechanical Engineering from Rensselaer Institute of Technology, New York. He started his career as a Project Engineer at PETRONAS and subsequently spent twenty (20) years with two Project Management Consultants where he developed his skills as a Project Manager.

He has managed various infrastructure projects including the Putrajaya Development and Iskandar Development in Johor. He is currently a certified Professional Project Manager with a certification from PM Institute, USA and also a registered practicing engineer.

Aznul Abdullah

Executive Director

Aznul is the Group Chief Executive Officer of Bayo Pay (M) Sdn Bhd. He also sits on the Board of Directors of Danainfra Nasional Berhad, a company wholly-owned by the Minister of Finance Inc. Prior to this, he was the Head of Project Finance Advisory and Director of Investment Banking division of Kuwait Finance House (M) Bhd ("KFHMB").

During his stint with KFHMB, he was responsible for advising the government and concessionaires on project finance transactions which involves project structuring and fund raising for a wide range of infrastructure/concession related projects. Aznul spent several years in London, United Kingdom working with an international advisory firm where he was a consultant with the Project Finance Modelling and Advisory Department. There, he was involved in a number of project finance and PPP sectors such as transport infrastructure, regulated utilities, power generation, schools and healthcare in the United Kingdom and across Europe, Middle East and Asia regions. He is a full member of Certified Practising Accountant of Australia with over 16 years experience in audit, financial advisory for project/structured finance, PPP and corporate finance. Aznul holds a Bachelor of Commerce in Accounting from the University of New South Wales Australia and did his professional accounting training at Pricewaterhouse Coopers LLP.

Management

Nasharullizam Bin Kharay

General Manager

Nasharullizam has over 18 years of experience in Facilities Management, covering technical operations, facility management, consultancy, business development and tender management in Malaysia and Qatar.

He is a Certified Healthcare Facility Manager from the International Islamic University Malaysia and is professionally trained in Electrical Equipment and Installation Technology. His broad experience includes facility operations, maintenance management, contractors, budgeting, compliance, client management and tender preparation.

Meor Safuan Aiman Bin Meor Shaharom

Head of Facility Management Operation

Meor holds a Master's degree in Facility Management with Distinction, certification as a Facility Management Executive (CIDB) and other advanced certifications, including Facility Management System and ISO 41001:2018 Lead Auditor credentials (SIRIM).

He has over 11 years of distinguished experience in full spectrum of Facilities Management including early exposure in construction sector as a certified Safety and Health Officer.

**Yusro Khamuna binti Yusoff**

General Manager of Human Resources
& Administration

Yusro holds a Bachelor of Science in Business Administration 1997 at West Virginia University, Morgantown W.V. She has over 20 years of vast experience in the area of Administration Management in various industry such as Healthcare, Facilities Management, Energy, Property Development, Construction and Agriculture.

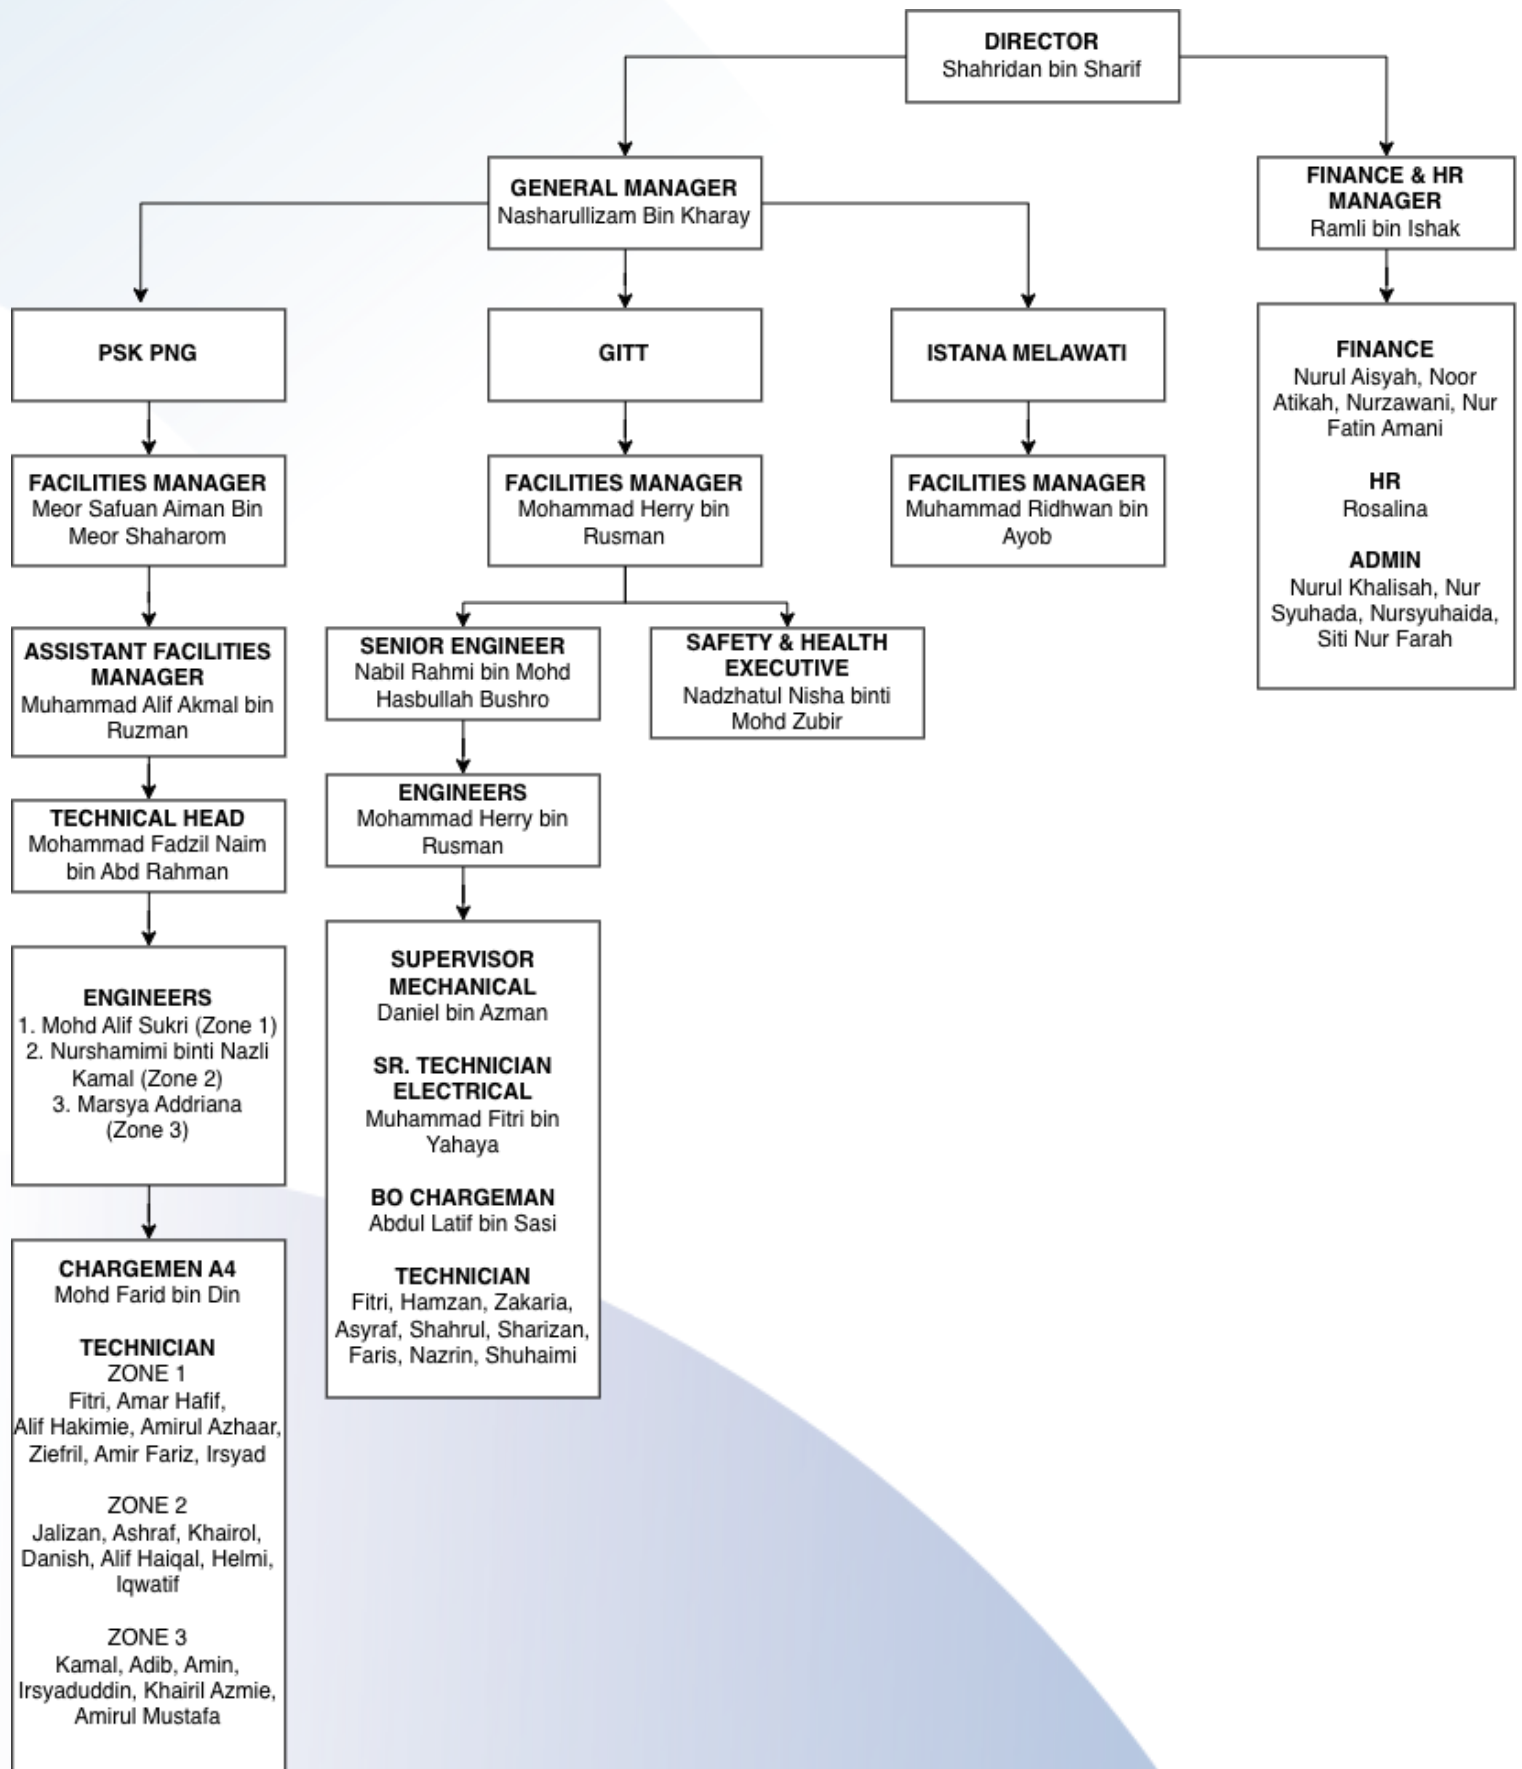

**Ramli Ishak**

Finance & Human Resource Manager

With over 25 years of experience in finance, accounting, and human resource management, Ramli has built a successful career across various industries, including F&B, oil and gas, and manufacturing. His extensive expertise covers roles as Finance Manager, where he played pivotal roles in setting up departments, ensuring compliance with financial regulations, and optimizing processes.

In addition to financial reporting and management, Ramli has a strong background in human resources, handling functions such as recruitment, payroll, compensation, benefits, and employee relations.
